# Life Change

STORIES

When **BRANDON** came back from military service in 2010, he didn't know how to process what he'd experienced or readjust to civilian life. He didn't feel church was for him, but at his wife's suggestion, they both attended a service at CedarCreek. During the service, Brandon felt his anxiety lift. He continued to get involved, attending a basketball Group and later GrowthTrack. Now, he serves with Student Ministries. He still feels anxious at times, but he doesn't let things take him down and keep him down, and he prays throughout his day.

"Through CedarCreek, I've found my faith again. I've opened my heart to God and I've let him in. I still struggle with things — by no means is this some perfect life... but if you believe in him and trust in him, then you can live a happy life and a good life."

When **KRISTAL** went to college and applied for her first credit card, she started becoming irresponsible with money. By 2014, she had five credit cards, two car payments, medical debt, and school debt, all totaling to \$41,000 of debt. Feeling frustrated that she and her husband were making as much as they were, with nothing to show for it at the end of the month, Kristal resolved in 2015 to start budgeting and get in control of her finances. Through CedarCreek, she heard about Financial Peace University, decided to participate, and found her people. Although cutting up her credit cards made her feel a little anxious, it was also freeing.

Kristal began paying off her debts, and is down to nothing but a car payment. Now she co-teaches a Financial Peace University class, where she loves seeing the lives changed and walking on this financial journey with those who attend. She believes all of her money is from God, and loves being able to steward it wisely so she can give generously.

**JESSIE** grew up believing in God, but struggled to be consistent. At 17, she gave birth to her son — her greatest blessing. Still, as a young, single mother, she felt lost, alone, and unworthy of God's love. In the years following, she stopped trusting God and tried taking control of her own life. She struggled with depression and bills, and dropped out of college.

Jessie still felt God tugging at her heart, so she started attending CedarCreek regularly. While watching a service online, she cried out to God for help, realizing her need for him, and felt a renewed sense of hope. Since then, she has paid off her neglected bills, consolidated her defaulted student loans, and gone back to school, following her dream to be a nurse.

In 2018, Jessie got baptized as a declaration of her faith — soon after, she attended GrowthTrack, and started serving regularly on the GrowthTrack DreamTeam, so she could help others grow on the spiritual journey the way CedarCreek had helped her.

# Mission Forward

Even though the idea of a pandemic was something addressed in movies and “what if” conversations around dinner tables, no one could have anticipated the rapid speed at which our entire world stopped and pivoted. Even now, we are uncertain of what is next. We have witnessed firsthand how this has impacted **MANY** of you personally, financially, vocationally, relationally, and more.

In light of all of this, we have seen our church and many others step into this season more on mission than ever before. So, although we may not have specific events or items to put here, I want you to know that our team is excited to continue leaning into our mission **to introduce people to Jesus and the life-changing adventure with him.** We are investing in enhancements to our online experiences as well as dreaming of new ways to reach people and help them grow. Though this is a difficult time, it is also an incredible opportunity to rest in God’s grace and take intentional steps forward in the work he has invited us to do. Thank you for partnering with us in this work through your generosity, prayers, and engagement.

# Ben SNYDER

Ben started attending CedarCreek Church in 1999 and was part of the very first internship class in the fall of 2000. Ben has served in a variety of roles at the 'Creek, including College Ministry Director, High School Pastor, Lee Powell's Research Assistant, Director of Student Ministries, South Toledo Campus Pastor, Speaking Pastor, Regional Campus Director, and Lead Pastor.

Anyone who has worked with Ben will tell you that he has a heart and passion for reaching the lost. In his free time, he calls himself an "Experience Collector," looking for new and creative things to add to his list. He has participated in marathons, Tough Mudder Races, Trapped Toledo experiences, an Amazing Race audition, 12 Hours of Lemons Race, and has been on the roof of more buildings than he's allowed to tell you.

A devoted husband and father, Ben loves his wife, Lauren, and four kids more than he could express. He is thankful for the support of his family and the trust he has been given by the Elders and members of the church. He is looking forward to continuing to help celebrate the legacy that God has established through CedarCreek Church, while championing the cause of the local church in Northwest Ohio, and beyond.

# Elders

With his wife, Brenda, and their four children, Hooty moved from their home state of Missouri (Kansas City area) to Perrysburg in January, 1995 and soon became the District Manager with Farmers Insurance Group. When Hooty first met Lee Powell, he was in the beginning stages of starting CedarCreek with a group of about 25 people. Hooty became an Elder of CedarCreek in 1996, resigned from his career with Farmers in 1999, and has been on staff ever since. Hooty has filled numerous roles here at the 'Creek, even worship leader! His most fulfilling roles have been developing leaders and investing in the next generation through the Internship and Apprenticeship program as well as training leaders and pastors in some of the most persecuted churches and countries in the world through EQUIP. He also helped our church partners in Central America launch multi-site churches. Hooty is currently transitioning from his day-to-day activities on staff and beginning a career in real estate while still remaining as an Elder at CedarCreek.

# Hooty AKA STEVE HUTMACHER

# Nate MANUEL

Nate was born in Augusta, Georgia and moved to the Toledo area as a baby. His dad was a pastor so Nate grew up as a pastor's kid, knowing all too well the dedication involved in ministry life. The summer after his graduation from Sylvania Southview High School, God did two amazing things in Nate's life; He planted a deep passion for music inside of him and introduced Nate to his future bride, Kendra. Nate attended CedarCreek for the first time Easter 2008, the very weekend that the West Toledo Campus opened. He fell in love with the mission of the church and the way God was moving here. Shortly after this, he started serving as the Worship Leader and came on staff as the West Toledo Arts Pastor in 2009. That same year Nate married his beautiful wife, Kendra, and together they have four wonderful children. As the Executive Director of the Arts, Nate is responsible for leading our Communications, Visual Media, and Service Programming teams. Nate loves Indiana basketball, writing music, vacations with his family, and being outside.

# Bill TROUT

Bill was born and raised in Tipp City, Ohio and came to the Toledo area in 1986 to attend BGSU. Bill and his wife, Renee, first attended CedarCreek in February of 1998. They both found their home, quickly joined a LifeGroup and started volunteering. Bill went on his first mission trip to Latin America in 1999 where he roomed with, and developed a friendship with, Steve Hutmacher. In 2006, Bill left his position of Vice President of Operations for Seneca Millwork Corporation to join the CedarCreek staff as the Director of International Missions and Local Outreach Ministries. He was confirmed as an Elder at CedarCreek in 2012 and began serving as the Executive Director of Finance and Operations for all campuses. Bill currently serves as Director of International Missions. He loves vacationing with his wife and son, playing golf, listening to music, and watching baseball.
