PRAYER:

Dear God, we read in James 5:16 that we need each other to find healing. We confess that we often look for healing in many other places and we hide what's really going on. Help us to see that when we are in community with others who love you, we're right where you would have us be. We pray that every Group at our church would be a safe place where people can be real, experience deep connection, and find freedom and healing from whatever struggles they are going through. Amen.

JAMES 5:16

Confess your sins to each other and pray for each other so that you may be healed. The earnest prayer of a righteous person has great power and produces wonderful results.
