

**Day 25**

---

**RELATIONSHIPS**

**Today's Prayer:**

I pray for [REDACTED]'s relationships. May they choose friends wisely—those of good character. I pray they would learn to put a friend's needs before their own and experience the gift of someone doing the same for them. May their relationships honor you. Throughout every season, may you provide them with faithful friends.

**PROVERBS 17:17**

**A friend is always loyal,  
and a brother is born to  
help in time of need.**
