*What do they need?*

- **Developmentally**  
They are asking: Where do I belong? They are motivated by freedom.  
Respond by: Mobilizing their potential
  - **Spiritually**  
Fuel their passion so they will keep pursuing authentic faith and discover a personal mission.
- 

*How to lead at home*

- **Ensure your student is connected to other influential adult voices, like a Group Leader, who are helping to encourage and guide them.**
  - **Empower them to serve. Check out local campus projects and [serving opportunities](#).**
  - **Ask questions that help them personalize their faith**  
(e.g. What do you think about that situation? What would be the wise choice?).
  - **Discuss wise approaches to finances. We recommend [Dave Ramsey resources](#), including his Financial Peace University.**
- 

*How to partner with the church*

- **Encourage them to attend [CedarCreek Student Night](#) and their Student Group regularly. Prioritize group connection!**
- **Invite your student to attend [GrowthTrack](#) as they continue to discover how God created them to make a difference.**
- **We invite your high schooler to attend [High School Camp](#)!**
