

OUR MISSION

We exist to introduce people to Jesus and the life-changing adventure with him.

WHAT WE DO

Our desire is to partner with you as your child begins their spiritual journey to **Know God, Find Freedom, Discover Purpose, and Make a Difference**. We do that best by creating a **safe** and **fun** environment where your family feels **known, cared for, and connected**. We plan a full hour that includes Bible stories, music, crafts, activities, small group discussion, prayer, and, of course, fun!

BABIES AND TODDLERS - Your little one will be cared for as they rock, snuggle, read, and play in a nurturing environment.

PRESCHOOL - Your preschooler will participate in a Large Group experience where they will hear an engaging Bible story and have fun worshipping. They will also spend time in Small Groups with application crafts, conversation, and prayer.

ELEMENTARY - Your elementary student will participate in a Large Group experience with high-energy games, worship, and a practical lesson straight from the Bible. Small Groups will encourage and challenge your student through activities, conversation, and prayer.

CURRICULUM

We use the Orange curriculum, which teaches three basic truths that build upon each other as a child's faith grows.

PRESCHOOL	ELEMENTARY
God made me	I need to make the wise choice
God loves me	I can trust God no matter what
Jesus wants to be my friend forever	I should treat others the way I want to be treated

SAFETY & SECURITY

Keeping your child safe is our top priority!

CHECK-IN - When you check your child in, they will receive a name tag with a unique code. You will also receive a parent tag with a matching code. You must present your parent tag when picking up your child.

VOLUNTEERS - All of our DreamTeam is carefully screened and equipped before working with children; this includes an extensive interview, a background check, and specific ministry training.

WELLNESS

All toys and surfaces are cleaned and disinfected before children arrive. Children who've had fevers, signs of vomiting, or other symptoms of contagious illnesses in the last 24 hours should stay home.

STAY CONNECTED

We love partnering with you to influence your child's growing faith! You will receive a monthly email with ministry highlights and upcoming events. In addition, we encourage you to check out the resources we provide. To name a few:

PARENT CUES

Monthly updates on what your child is learning and how you can **continue the conversation at home**
