

# Hope This Helps Card

front

inside

## Instructions:

1. Print this page and cut off the white border around the edge of the entire card (keeping front and inside as one piece, as shown below):
2. Next, fold the card in half where the line indicates:
3. Fold again in half at this line:

4. Your card will look like this. This is the front:

5. Lastly, add a personal note on the inside in the blank space provided. Include it along with the way you're intentionally providing hope to show them they matter!
